We, the Annual Staff of 1972, hope we have presented to you a new and different annual. (After all everything else here at Fulton is starting to change so why not us?" Never before has a Talespin been printed with horizontal pages, nor have we ever had a colored title page.

We've tried to make the annual different, and unique. (And we've had a good time doing it.) So we proudly present to you the 1972 Talespin.

May.
 To a really cool
 teacher here. We just
 so quiet & sweet (you wish) &
 just hope ~~to~~ it will

 next year when we

Mrs. McKinney,
 To a real
 neat teacher
 who likes to be
 bugged. I don't
 know what I'd
 do if I couldn't
 come bug you. It
 was really nice
 knowing you.

Mrs. McKinney,
 It hardly seems possible
 that us girls are finally
 graduating! We had fun
 in your classes (part of
 the time) but I wouldn't

 future crabby kids!
 Hope to see you some

 Wanda
 Genn

Mrs. McKinney,
you are a pretty
cool teacher! and
you are very easy
to cadet teach for,
because I never have
to do anything in here!

Just think, one more
year, that's all you'll have
to put up with me and
the rest of some "certain"
junior girls!! HA!

Keep up the good teaching!

Cadet teacher,

Vanessa

Mrs. McKinney:
I had a lot of fun
in 1st hour Home & family Hogle

Don't forget

is what we went
to. You never
go again. I

You know

Super Dily,
Remember how great this class you had
Because we were in it and it made you mad.
Let it never be said that ^{we} were bad
Because that would be the truth and make you glad.
Good Luck with the rest of the kids you have
and you might have to suffer with me a few
more years.

A student of Home Ec.,
Kerry Braman

McKinney,
Good Luck?
in the last of your
years. I hope you'll
help me if I decide to
run for a regional office

Mrs. McKinney,
Good Luck with
the Freshman next
year. They're worse
than we ever thought
of being. We tried
awfully hard to give
you a nervous break-
down but it just didn't
work the way we had
planned. I've really
had a blast in your
class. Don't ever forget

I know you, the more I
love you. I'll never forget the things
you did for F. H. P. It was just you
and I did for F. H. P. I'll try as hard as I can to
be the best part of the whole year with you, and I hope the
State Convention will take it. I hope my
chance next year will be as well as I did.
Freshman like you, but I know it for my
sometimes you're bad, but I know it for my
sometimes you're good. I hope I'll be
a good student next year, in everything I do.
To try harder next year, in everything I do.
Good luck in the future and
brown in the summer
because the freshman
need you. Your X
